

Covid-19 Advisory

We seek your understanding to ensure that our Centre maintains as a safe place for both our staff and patients.

TraceTogether Check-In.

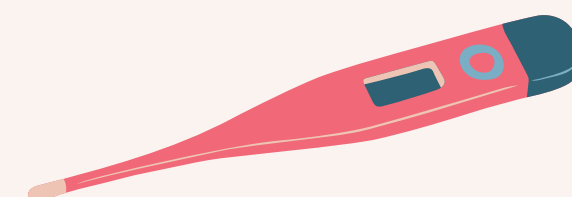

Check-in must be done via Tracetgether App or Token.

From 1 Jun 2021 onwards, visitors will no longer be able to have their identity card's bar codes scanned.

Health declaration and temperature screening required.

Required to answer truthfully by law (Infectious Disease Act).

Watch for symptoms.

If you have any symptoms of fever, cough, sore throat, runny nose or shortness of breath, please go to the nearest PHPC or polyclinics instead of coming to NSC.

Masks kept on all times.

Please wear your reusable or surgical masks.

Mask helps to reduce the expulsion and transmission of droplets, which is the predominant route of transmission of COVID-19.

Practise safe distancing.

Maintain at least 1 metre distance from others.

Only one accompanying person per patient.

This is to minimise exposure to potential sources of infection and prevent overcrowding at waiting areas.
